“ It is so hard for it to sink in that she has earned her Wings so early in life. We worked together at Wilson Hospital when it had an ER many years ago. She was so beautiful inside and out. She always had a smile on her face and could always make you laugh. Thoughts and Prayers for her family and friends and never met a stranger bc that was just her. You are gone to a better place and will be missed dearly but never be forgotten! Love you girl and will see you again some day, until then just keep that big smile on your beautiful face!
