“ *My sincere condolences to his family. I was raised in church on Broad Street where the Williams family attended. I also spent years working with Nick painting for Delores Privette. It saddened me to hear of his passing and it is a truth many knew him in our town of Darlington. Nick was a special guy for sure.* ”

“ *Will miss him....really an extension of my family for many, many years. Have known him since I was born. And, most people in Darlington know him! Remember going to NASCAR races with he and my Uncle Ray as a young kid and teenager.....and him being out at the airport and my Uncle Rudy's garage, and to weekly races that my cousin Little Rudy ran. Loyal to his sports teams, a huge fan of SJHS sports and David Pearson and Dale Sr. in NASCAR. Best painter Darlington has ever seen.....loved Darlington.....will miss him. RIP Troy!* ”

“ Troy was a great friend of mine. He came to me many years ago and wanted to play in the Alumni football game. I was coach that year and I understood how much this meant to this young man. I , and all the players, wanted to do our best to help him achieve a goal of being a part of St. Johns football and a team player. He played, did his best and was a true member of the St. Johns Alumni. Every time I saw him, since that game, he always thanked me for giving him the chance to be a part of that team and play a game he loved.
I will miss him and his bright outlook on life.

“ I am so sorry to hear about Troy. I have known him for years , loved talking to him about his hero David Pearson and racing. He loved people, was an expert painter (like his dad) and always had a smile on his face. RIP Nick !
