I LOVED her TOO..she's been with me and ME with Her for the last 10 years..I mean she has lived with US off and on for 10 years John and everyone knows that my name should be right beside yalls and she would be very disappointed and angry at this..IT doesn't matter if you like me OR not..you should respect your mother even in death..RIP Wanda lane..nobody know what we've shared how close we were and what we've been through.I'll try to keep all of your promsses.but I really don't think you would still want me to keep one of them..NOT the time for anything.I pray for everyone and I truly believe Wanda IS flying high with Her mama,uncle Kenny,HER daddy..🙏🙏❤️❤️ love you always
