“ *Nancy, William, Timmy,Dangie and all of our children. I'm so very sorry.*

Billy was such a pain at times as we all are. As much of a pain he was so caring. He taught me so much. He taught me not to be scared to walk to my stand by myself, how to fish even though he couldn't get me to hold my pole the correct way.

He never judged me if I didn't do something correctly he just calmly showed me how to do it right well his way.

So many memories. When ever I needed someone to chat with he was always there. Then he married this amazing woman Dangie then through him I had another to listen. I will miss him so very much.

“Wow!!! So sorry to hear of your loss. Billy and I grew up together at the old Nazarene church on East Home Ave in Hartsville. We had a wonderful church family, children’s church and youth group were the best of times with the best adults to love us and love us still! Billy was such a kind hearted person with an infectious smile. All the teens wanted to hang around him. Nothing but great memories! My prayers are with Jeffords and Hendrix family. Hold your the promise.
