Bill Was a great person. I tried to look up his son Billy who I served with at Shaw AFB when we were in Darlington for the Southern 500 last September but could not find him. Help needed. We live on our farm outside of Charleston. 843-296-6924 or sales@petersoncommunications.com

“ *What a great person Bill Cromer was! I knew him from Dixie Radio/Dixie Electronics in Florence many years ago. He was always very friendly and helpful. I always enjoyed seeing him smile or have that glint on his face when you asked for something pretty difficult and he knew immediately that he could find it for you. He always made me want to come back. God bless each of you who appreciated and loved him as well.*

Billy was Best Man at my first wedding and identified my husband, Duarl after he drowned at Santee. Mr TC Kistler didn't think I could handle it. Billy and wife, Jo Ann went with me. Billy told me later that was the worst and hardest thing he had ever done but he wanted to be sure it was his longtime friend and my husband. We had been friends since 1963. Rlp my friend and enjoy the reunion with Duarl, Frankie Suggs, Gene Weaver, Richard Sweat and all " the pool room guys " that will greet you
