“ *My deepest condolences to all of his family and friends. We both graduated from Byrnes Academy. He was a close buddy for many years. His sense of humor and his witty comments were so enjoyed. Our senior cruise was great and he was a large part of that for me.*

“ I was deeply saddened to hear of Wilson’s passing. I had the privilege of working under his leadership for many years at ADP and most recently at Synergi Partners. As our Chief Data Officer, he set the standard for data integrity, hard work, and doing things the right way. His leadership made a lasting impact, and while his retirement was difficult, this loss is immeasurable. He will truly be missed.

“ Wilson was truly fearfully and wonderfully made as Psalm 139 says , he was a amazing person and man who was thoughtful and very honest . Had a very deep love for the Lord and His Word , Wilson will be missed ,he endured many hardships over the course of his young life and carried a lot of responsibility RIP and enjoy the life with no stress or anxiety or the dysfunctional issues of people.
